## LUXURY KNIT FABRICS

Our DualTouch™ Fabric takes luxury to the next level, expertly woven to elevate both texture and tone. Crafted for beauty and responsiveness, it offers a tactile experience that blends softness with adaptive support, enhancing the way your mattress looks, feels, and performs.

## FLEX TECH FOAM

Flex Tech Foam's high-density plush material offers superior body contouring and an ultra-soft feel, giving you a cloud-like sleeping experience that relieves pressure points effectively.

## SNOWDROP™

Snow Drop's advanced ceramic-infused gel-memory foam enhances thermal conductivity, efficiently dissipating heat for a cooler, more comfortable sleep. Unlike traditional foam, it delivers premium comfort every night, seamlessly supporting our mission to help you live well.

## BALANCETECH™

A foundation of firmness that never falters. BalanceTech™ brings dependable support and cloud-soft comfort together in perfect harmony.

## FLUTED FLOATING BASE

Our luxuriously fluted bases are beautifully complimented with stylish legs. Our bases are also carefully engineered to provide excellent foundation support, ensuring that you get the most out of your luxurious mattress.
