

Whirlpool side-by-side American fridge: inox color - WQ9 B1L M (329689)

This Whirlpool Side-by-Side American Fridge features: noFrost technology, that effectively prevents ice build-up in your Freezer by reducing humidity levels.

6TH SENSE Fresh Lock

Preserve food for longer, in the most natural way.

6TH SENSE Technology powered by Inverter Compressor ensures precise and consistent temperature control. When the temperature changes, a sensor activates the Compressor that quickly restores it.

FlexiFreeze

The spacious FlexiFreeze compartment adapts to your needs, allowing you to select the correct temperature level for what you are storing. Soft Freeze - 7°C: avoid defrosting process for frozen food you will eat within a week. You can place food directly from the freezer into the pan. Mild Freeze - 12°C: keep ice-cream and desserts ready to serve.

Deep Freeze -18°C: preserve nutritional value of food for longer.

Fast cooling

The temperature inside your refrigerator drops immediately, when new food is stored. Built-in sensors automatically adjust cooling temperature to return food to the desired temperature in half the time.
